

Learning Train Academy LLC Updated Sick Policy- June 29, 2020

In addition to our current sick policy which follow guidelines recommended by the American Academy of Pediatrics, we have added additional guidelines from the CDC directly related to Covid-19. Parents and guardians must comply with this policy or your child may be removed from our program. Please understand that all policies are in place for the safety and well being of all children and staff.

Health checks will be conducted by a staff member at arrival.

Children will not be admitted if they have the following symptoms:

- *Fever ≥ 100.4*
- *Rapid breathing or difficulty breathing*
- *Cough*
- *Fatigue*
- *Muscle or body aches*
- *Headache*
- *New loss of taste or smell*
- *Sore throat*
- *Congestion or runny nose*
- *Nausea or vomiting*
- *Diarrhea*

If a child develops any of the above symptoms while in our care. You will be notified and must immediately pick-up. We will remove the child from the classroom area to be supervised by another staff member until you arrive.

Children who have been excluded for fever or respiratory symptoms may return to care once the child has been fever free for at least 24 hours without the use of medication. A doctor's note is not required for return of a child who experienced *FEVER ONLY*.

Confirmed Covid-19 Exposure?

Children must be excluded from the center until ALL 3 of the following requirements are met:

1. 72 hours fever free without medication and;
2. 10 days after the onset of symptoms and;
3. All symptoms must be improved

All Families will be notified immediately of any cases or potential cases of Covid 19.
